

Debut Album “Late Bloomer”

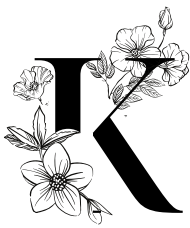

Kim's debut album, "Late Bloomer," is a heartfelt journey through the corridors of folksy storytelling. With a voice as sweet as honeysuckle, Kim weaves together a collection of 10 original songs (and one cover) that resonate with the listener on a profound level. Each track is a testament to Kim's guiding principles: never settle, follow your dreams, and embrace the journey with unwavering determination.

Songs include the poignant and soul-stirring "No More Wags," a tribute to the unbreakable bond between pet and owner. Kim's tender vocals carry the listener through the joys and sorrows of this special relationship, leaving an indelible mark on the heart.

Kim's introspective lyrics and infectious melodies continue to captivate audiences with tracks like "Gotta Give it Up" which delivers a powerful message of self-improvement and empowerment, urging listeners to break free from harmful habits and embrace a healthier lifestyle.

However, it's the title track, "Late Bloomer," that serves as the album's emotional centerpiece. Kim reminds us that it's never too late to pursue our dreams. Through personal anecdotes and honest reflections, she encourages listeners to embrace their true passions and embark on their own journey of self-discovery.

Throughout "Late Bloomer," Kim's music serves as a tribute to her family, with each song written as a sincere dedication to a loved one. Kim's songs are a celebration of love, resilience, and the enduring power of the human spirit. In essence, "Late Bloomer" is more than just an album—it's a testament to the triumph of the human spirit and a reminder that, no matter where life takes us, it's never too late to bloom.
